

There will be one hypoxia bus on the afternoon of Tuesday, February 19 leaving from Calgary International Airport in the late afternoon. There will be at least one return bus on Sunday morning, February 24. You can make a reservation as you register, or after the fact by emailing us at [hx2019@hypoxia.net](mailto:hx2019@hypoxia.net). There is a \$50 US charge for each seat on the bus, each way, or \$100 round trip, payable in advance and non-refundable. This is much less than the average cost we pay for the bus service, and includes the required national park fee. Typical alternative transportation costs round trip would be \$200 for roundtrip transport and park fee. **We will survey all delegates wishing to take the bus to arrive at the best time for the Tuesday and Sunday departures.**

### Alternatives
